

**BRIEFING:**  
**Biosimilars for Arthritis Patients:**  
**Challenges and Opportunities**

*Lunch will be provided. This event complies with ethics and gift rules.*

**Date: Monday, July 13, 2015**

**Time: 12:00 – 1:00 PM**

**Location: B340 Rayburn**

Please join the Coalition of State Rheumatology Organizations, the American Autoimmune Related Diseases Association, the Global Healthy Living Foundation, and the Arthritis Foundation, in cooperation with the Congressional Arthritis Caucus, for a briefing on implementation of the Biologics Price Competition and Innovation Act.

Come to learn more about how biosimilars will change treatment options for patients living with arthritis.

Panelists:

- **Dr. Harry Gewanter**, Pediatric Rheumatologist, Pediatric & Adolescent HealthPartners; Clinical Associate Professor of Pediatrics, Virginia Commonwealth University School of Medicine; Volunteer, Arthritis Foundation
- **Kim Greco, J.D.**, Director, Global Regulatory and R&D Policy, Amgen
- **Katherine Macfarlane, J.D.**, Patient Advocate, Global Healthy Living Foundation
- **Jim McKay, PhD**, Director, Clinical Development and Medical Affairs Sandoz Biopharmaceuticals (a Novartis Company)
- **Dr. Gregory Schimizzi**, Cofounder, Carolina Arthritis; Treasurer, Coalition of State Rheumatology Organizations
